#### State of the Association

#### Review of 2019 – 2020

➤ The past year for the SHOA was uneventful until the arrival of Covid-19. Minor upgrades have been made to some of the common areas (see Special Projects Report). Due to health restrictions in place, all board meetings are now held via Zoom and the community pool will remain closed until it can be opened safely and in compliance with county restrictions.

#### Financial Status

> See Financial Report for full details. The financial position of the Association continues to be healthy. The board had planned to raise annual homeowner dues this year, but decided against this given current economic conditions.

#### State of the Association

- ➤ The primary goal for the upcoming year will be to get the community pool open. We have two major constraints:
  - We must follow county regulations for pool opening and operating under Covid-19 restrictions
  - 2. As an Association, we are not setup to have continuous pool supervision if this is mandated under new operating rules
- The other major goal will be to explore having the community pool re-plastered during the off-season at the end of this calendar year.
- We will also continue to recruit new volunteers to serve on the board.

#### **Election Status**

#### 2020 Election

- > The annual election was not held this year because:
  - 1. The restrictions imposed by the state and county related to Covid-19 did not permit the election to be run safely
  - 2. There were no new volunteer candidates to run for the open seat that was to be filled in this election
- The open seat is currently held by current board president Tom Halfaker. He was not planning to run for re-election but has offered to continue serving in this role, if the board so desires, until a replacement can be named.
- > The normal board election cycle should resume next year.
